**BUSH REGENERATION WORKS REPORT**  
**DAVISTOWN**  
PURCHASE ORDER NUMBER: PUR1016130  
Inv: 1436

Gecko Environment Management (GEM) has been contracted to carry out bush regeneration works at Kincumber Cres, Davistown. Please find below both a summary of works completed on each day.

Date	Work Description	Hours worked, including supervisor	Weeds Treated
8/11/2017	Carried out a walk through follow up on <i>J.acutus</i> regrowth along foreshore slatmarsh areas. Many plants were dug out by hand, others prepared for later spraying.	35	<i>J.acutus</i>
22/11/2017	Primary Juncus removal by hand crowning out bases.	42	<i>J.acutus</i>

	Plants also prepped for follow up spraying		
2/3/2018	Continued primary treatment of <i>Juncus acutus</i> throughout saltmarsh, including Herbicide treatment of all previously prepared patches. Finished front edge/foreshore strip. More to complete in last thick patch to the North East	24	<i>J.acutus</i>

Figures 1 & 2: Work zones, yellow polygons showing all areas worked at the time of report preparation.

NB; We have held off on works to allow for cooler more effective conditions and suitably timed tides, we have one more days works to complete.

Please do not hesitate to contact me if you have any further queries.

Yours sincerely
